MONTPELIER

High School Basketball Team Defeated Burlington, 24 to 21.

Montpelier high school basketball team defeated the Burlington high school team on the armory floor in Montpelier Friday evening by a score of 24 to 21 in probably one of the best games that the two teams have played in some years. There was a lack of the fighting that generally takes place when the two teams meet.

The Burlington team was handicapped by the large floor and, following the game, did not seem at all down-hearted over its defeat. Both teams did a good deal of passing, but the Montpelier players fumbled the ball quite a little. The Montpelier backfield did not play in its usual form, so that their opponents were able to land more scores than usual.

Smith was the star for Montpelier and Harrington for the Burlington team.

The summary:

Montpelier. Burlington.
O'Dell, ft. H. Harrington
Smith, ft. H. K. Isham, Salls
Mills, c. C. Isham
McAvoy, fg. Tg. Wilkins
Donnelly, lg. Ig. Johnson, Kane

Score, Montpelier 24, Burlington 21; baskets from floor, Smith 6, O'Dell 3, Harrington 4, Wilkins, K. Isham 2, Johnson; from fouls, Smith 6, Wilkins 3; referee, Maiden; timer, Patrick; scorer, Smith; two, two 20-minute periods.

Following the game a dance was enjoyed, with music by the high school orchestra.

M. G. Morse of Hardwick, who was a candidate for secretary of state, has returned from France, where he has been a secretary in the Y. M. C. A. work, having been assigned to the 78th division. He saw service both at the Chateau Thierry and Argonne fronts. In the latter battles he was a stretcher-bearer and saw some of the worst sights of his life, while at the former front he also helped in caring for the wounded. Mr. Morse, who was in the last Senate, was gassed on the Argonne front and has lost about 30 pounds in weight. He is recovering his health and expects to resume his law practice.

The members of Company I basketball team have issued a challenge to play any team in the state. They have a fast aggregation, considerable of it being the old high school team.

Mrs. L. A. Kelly has received from the war department the official announcement that her brother, Arthur S. Huse, who was several years a resident of Barre, has been gassed. The family heard of this in correspondence some weeks ago but not officially. The gassing took place Oct. 10.

The committee in charge of the canvass for funds to finance the ball-bearing company will hold a meeting this evening for the purpose of explaining to the townspeople the kind of an industry that is to come to Montpelier if the money is raised. They received a surprise Tuesday day when a former resident of the city sent them a subscription for \$1,000 worth of stock, as well as when a merchant could give but \$500 and the clerk who overheard the conversation stated he would take the other \$500 that the committee expected to get from the merchant.

Mr. Charlotte M. Rollins, who lived on the Middlesex Center road, died during the night after a short illness. She was a native of Moretown, born Jan. 8, 1853, a daughter of Mr. and Mrs. Cyrus Marsden. She married William Rollins, who died about eight years ago. She has lived in the above locality for 13 years. She is survived by her son, Ira, two daughters, Mrs. Lee Jackson of Waterville and Mrs. Elsie Adams of Putnamville; also by four brothers, Earl, Fred, Willard and Julian Marsden of Stowe. The funeral takes place at 2 o'clock Sunday afternoon. Burial will be in Stowe.

The police received a complaint from Barre street about 11 o'clock Thursday evening that two women were drunk on Barre street. The complainant stated that two men had been with them at the time he arrived but that they left as he came along. One of the women was lying in the snow. Her companion at first tried to make it appear that she did not know the woman but later admitted that she did. The police removed the woman to a safer locality for the night.

John Emerson, a granite dealer in Colebrook and Lancaster, N. H., who was in

the city yesterday calling upon granite firms, stated that the impression prevailed in his section that Barre granite was not available and that he has been in Rhode Island buying granite. He was much surprised to find upon arriving here that the report was without foundation. He attributed the delay in the shipments as the reason that the impression had gone forth that granite from this locality was not obtainable now.

Among the candidates mentioned for the state purchasing agent appointment are H. T. Baldwin of Wells River, who was formerly a member of the board on penal institutions, W. E. Poole of Montpelier, now employed in the office, Mr. Dunn of Rutland and Mr. Wright of Middlebury.

In probate court Alex. Beaton of South Ryegate was on Thursday appointed executor of the estate of Dwight Buck of Roxbury. Mrs. Nora Yarrington of Northfield was appointed administratrix of the estate of Irene Dennison, late of Northfield, and Asa Corlies administrator of the estate of Hannah J. Corlies, late of Fayston.

Miss Lyle Clark entertained 12 young ladies at whist Saturday evening, it being in honor of her 18th birthday. Refreshments of ice cream and cake were served and the young ladies left at late hour, wishing Miss Clark many happy returns of the day.
